CONTENTS OF VOLUME 6

Anderson, D. C. See Lawrey, J. A.
Armstrong, G. D. See Peterson, G. B.
Aronsohn, S., Castillo, O., & Pinto-Hamuy, T. **Fading procedure effects on a visual pattern discrimination reversal in the albino rat** 72
Ash, B. L., Parisi, T., & Ison, J. R. **Modification of acoustic and nociceptive reflexes in the rat by visual stimulation** 111
Ash, M. See Gallagher, J. E.
Ayres, J. J. B. See Burkhardt, P. E.
Bindra, D. See Lajoie, J.
Billig, J. M. See Franchina, J. J.
Bond, N. W., & Corfield-Sumner, P. K. **Taste aversion learning and schedule-induced polydipsia in rats** 413
Brake, S. C. **Discrimination training in infant, preweanling, and weanling rats: Effects of prior learning experiences with the discriminanda** 435
Braveman, N. S. **Preexposure to feeding-related stimuli reduces neophobia** 417
Braveman, N. S., & Jarvis, P. S. **Independence of neophobia and taste aversion learning** 406
Brecha, N. See Green, L.
Bromage, B. K., & Scavio, M. J., Jr. **Effects of an aversive CS+ and CS− under deprivation upon successive classical appetitive and aversive conditioning** 57
Brown, C. P. **Social facilitation of pecking following differential rearing** 94
Burkhardt, P. E., & Ayres, J. J. B. **CS and US duration effects in one-trial simultaneous fear conditioning as assessed by conditioned suppression of licking in rats** 225
Bushnell, M. C., & Weiss, S. J. **Microanalysis of variable-interval performance during stimulus compounding** 66
Capaldi, E. J. **Effects of schedule and delay of reinforcement on acquisition speed** 330
Carr, D. L. See Wasserman, E. A.
Castillo, O. See Aronsohn, S.
Chantrey, D. F. **Short-term changes in responsiveness to models in *Betta splendens*** 469
Cogan, D. C. See Todd, G. E.
Corfield-Sumner, P. K. See Bond, N. W.
D'Amato, M. R. **Editor's note** 115
Deich, J. D. See Wasserman, E. A.
DePaulo, P., Hoffman, H. S., Klein, S., & Gaioni, S. **Effect of response-contingent vs. noncontingent shock on ducklings' preference for novel imprinting stimuli** 458
DePaulo, P. See Gaioni, S. J.
Deutsch, R. **Effects of CS amount on conditioned taste aversion at different CS-US intervals** 258
Dewsbury, D. A. See Sloane, S. A.
Domjan, M. **Effects of proximal unconditioned stimulus preexposure on ingestional aversions learned as a result of taste presentation following drug treatment** 133
Dubin, W. J. See Levis, D. J.
Dukich, T. D. See Wald, B. A.
Dunham, P. J. **Changes in unpunished responding during response-contingent punishment** . 174
Eiserer, L. A. **The effects of tactile stimulation on imprinting in ducklings after the sensitive period** 27
Eiserer, L. A. **Effects of food primes on the operant behavior of nondeprived rats** 308
Flaherty, C. F., & Sepanak, S. J. **Bidirectional contrast, matching, and power functions obtained in sucrose consumption by rats** 313
Flaherty, C. F. See Lombardi, B. R.
Franchina, J. J. **Effects of sucrose concentrations on single-alternation performance in rats** 320
Franchina, J. J., Kash, J. S., Reeder, J. R., & Sheets, C. T. **Effects of exteroceptive feedback and safe-box confinement durations on escape behavior in rats** 423
Gaioni, S. J., Hoffman, H. S., DePaulo, P., & Stratton, V. N. **Imprinting in older ducklings: Some tests of a reinforcement model** .. 19
Gaioni, S. See DePaulo, P.
Gallagher, J. E., & Ash, M. **Sexual imprinting: The stability of mate preference in Japanese quail (*Coturnix coturnix japonica*)** 363
Galvani, P. F., & Twitty, M. T. **Effects of intertrial interval and exteroceptive feedback duration on discriminative avoidance acquisition in the gerbil** 166
Garcia, J. **Mitchell, Scott, and Mitchell are not supported by their own data** 116
Gazzaniga, M. S. See Green, L.
Gerson, R., & Hendersen, R. W. **Conditions that potentiate the effects of electroconvulsive shock administered 24 hours after avoidance training** 346
Gibbs, C. M., Latham, S. B., & Gormezano, I. **Classical conditioning of the rabbit nictitating membrane response: Effects of reinforcement schedule on response maintenance and resistance to extinction** 209
Glow, P. H., & Winefield, A. H. **Response-contingent sensory change in a causally struc-**

tured environment 1
Gormezano, I. See Gibbs, C. M.
Green, L., Brecha, N., & Gazzaniga, M. S. **Interocular transfer of simultaneous but not successive discriminations in the pigeon**..... 261
Griffin, R. W. See Looney, T. A.
Hellenthal, L., & Marcucella, H. **Stimulus control in multiple variable-ratio schedules of reinforcement** 198
Hendersen, R. W. See Gerson, R.
Herrnstein, R. J. See Prelec, D.
Heth, C. D., & Warren, A. G. **Response deprivation and response satiation as determinants of instrumental performance: Some data and theory**..... 294
Hoffman, H. S. See DePaulo, P.
Hoffman, H. S. See Gaioni, S. J.
Hollis, K. L. See Lawry, J. A.
Holzman, A. D. See Levis, D. J.
Idrobo, F. See Kamin, L. J.
Ison, J. R. **Reflex inhibition and reflex elicitation by acoustic stimuli differing in abruptness of onset and peak intensity** 106
Ison, J. R. See Ash, B. L.
Jarvis, P. S. See Braveman, N. S.
Kamin, L. J., & Idrobo, F. **Configural conditioning in the CER: A possible artifact**..... 290
Karpicke, J. **Directed approach responses and positive conditioned suppression in the rat** .. 216
Kash, J. S. See Franchina, J. J.
Klein, S. See DePaulo, P.
Kochevar, J. See Lawry, J. A.
Kosiba, R., & Logan, F. A. **Differential trace conditioning to temporal compounds**..... 205
Lajoie, J., & Bindra, D. **Contributions of stimulus-incentive and stimulus-response-incentive contingencies to response acquisition and maintenance**..... 301
Latham, S. B. See Gibbs, C. M.
Lawry, J. A., Lupo, V., Overmier, J. V., Kochevar, J., Hollis, K. L., & Anderson, D. C. **Interference with avoidance behavior as a function of qualitative properties of inescapable shocks** 147
Levis, D. J., Dubin, W. J., & Holzman, A. D. **Effects of component training and subsequent sequencing of stimuli on shuttlebox avoidance responding of rats**..... 335
Leyland, C. M., & Mackintosh, N. J. **Blocking of first- and second-order autoshaping in pigeons**..... 391
Lobb, M., & McCain, G. **Population density and nonaggressive competition**..... 98
Logan, F. A. See Kosiba, R.
Lombardi, B. R., & Flaherty, C. F. **Apparent disinhibition of successive but not of simultaneous negative contrast**..... 30
Looney, T. A., & Griffin, R. W. **A sequential feature-positive effect using tone as the distinguishing feature in an autoshaping procedure** 401
Lovern, D. R. See Sigman, S. E.
Lupo, V. See Lawry, J. A.
Mackintosh, N. J. See Leyland, C. M.
Madigan, R. J. **Reinforcement contexts effects on fixed-interval responding** 193
Maier, S. F. See Rapaport, P. M.
Marcucella, H. See Hellenthal, L.
McAuley, K. See Welker, R. L.
McCain, G. See Lobb, M.
McSweeney, F. K. **Prediction of concurrent keypeck treadle-press responding from simple schedule performance**..... 444
Miles, R. C. See Wheatley, K. L.
Mitchell, D. **The psychological vs. the ethological rat: Two views of the poison avoidance behavior of the rat compared** 121
Newlin, R. J., & Thomas, D. R. **Nondifferential training of pigeons retards acquisition of subsequent discriminations involving other stimuli** 385
Odling-Smee, F. J. **The overshadowing of background stimuli by an informative CS in aversive Pavlovian conditioning with rats** ... 43
Osborne, S. R. **A note on the acquisition of responding for food in the presence of free food** 368
Overmier, J. V. See Lawry, J. A.
Parisi, T. See Ash, B. L.
Pearce, J. M. **The relationship between shock magnitude and passive avoidance learning** .. 341
Peterson, G. B., Wheeler, R. L., & Armstrong, G. D. **Expectancies as mediators in the differential-reward conditional discrimination performans of pigeons** 279
Pfautz, P. L. See Wagner, A. R.
Pinto-Hamuy, T. See Aronsohn, S.
Prelec, D., & Herrnstein, R. J. **Feedback functions for reinforcement: A paradigmatic experiment**..... 181
Procter, M. M. See Sloane, S. A.
Rapaport, P. M., & Maier, S. F. **Inescapable shock and food-competition dominance in rats** 160
Reeder, J. R. See Franchina, J. J.
Revusky, S. **Reply to Mitchell**..... 119
Richards, R. W. **Inhibitory control by one stimulus after an increase in the frequency of reinforcement associated with another stimulus**..... 286
Riley, A. L. **In response to and in defense of Mitchell and Revusky: An analysis of nonassociative effects** 472
Roberts, W. A. See Zoladek, L.
Rosellini, R. A. **Inescapable shock interferes with the acquisition of an appetitive operant**. 155

Rosellini, R. A., & Seligman, M. E. P. **Role of shock intensity in the learned helplessness paradigm** 143
Sarafino, E. P. **Experiential aspects of exploratory behavior in rats** 235
Scavio, M. J., Jr. See Bromage, B. K.
Schulman, A. H. See Sigman, S. E.
Seligman, M. E. P. See Rosellini, R. A.
Sepanak, S. J. See Flaherty, C. F.
Shea, S. L. See Sloane, S. A.
Sheets, C. T. See Franchina, J. J.
Sherman, J. E. **US inflation with trace and simultaneous fear conditioning** 463
Shettleworth, S. J. **Reinforcement and the organization of behavior in golden hamsters: Sunflower seed and nest paper reinforcers** ... 352
Sigman, S. E., Lovern, D. R., & Schulman, A. H. **Preferential approach to conspecifics as a function of different rearing conditions** . 231
Sloane, S. A., Shea, S. L., Procter, M. M., & Dewsbury, D. A. **Visual cliff performance in 10 species of muroid rodents** 244
Smith, J. C. **Comment on paper by Mitchell, Scott, and Mitchell** 117
Spetch, M. L. See Wilkie, D. M.
Starr, M. D. See Woodruff, G.
Stratton, V. N. See Gaioni, S. J.
Terhune, J. G. **The relationship between momentary response probabilities and momentary reinforcement effects** 187
Thomas, D. R. See Newlin, R. J.
Todd, G. E., & Cogan, D. C. **Selected schedules of reinforcement in the black-tailed prairie dog (*Cynomys ludovicianus*)** 429
Twitty, M. T. See Galvani, P. F.
Wagner, A. R., & Pfautz, P. L. **A bowed serial-position function in habituation of sequential stimuli** 395
Wald, B. A., & Dukich, T. D. **Observing behavior: Redundant stimuli and time since information** 380
Warren, A. G. See Heth, C. D.
Wasserman, E. A., Carr, D. L., & Deich, J. D. **Association of conditioned stimuli during serial conditioning by pigeons** 52
Weidenman, M. A. See Welker, R. L.
Weiss, S. J. See Bushnell, M. C.
Welker, R. L., & McAuley, K. **Reductions in resistance to extinction and spontaneous recovery as a function of changes in transportational and contextual stimuli** 451
Welker, R. L., & Weidenman, M. A. **Do rats and pigeons readily acquire instrumental responses for food in the presence of free food** 366
Welker, R. L. See Wheatley, K. L.
Wheatley, K. L., Welker, R. L., & Miles, R. C. **Acquisition of barpressing in rats following experience with response-independent food** (1977, **5**, 236-242)
Erratum 51
Wheeler, R. L. See Peterson, G. B.
Wilkie, D. M., & Spetch, M. L. **The effect of sample and comparison ratio schedules on delayed matching to sample in the pigeon** ... 273
Williams, B. A. **Information effects on the response-reinforcer association** 371
Willner, P. **What does the headless cockroach remember?** 249
Winefield, A. H. See Glow, P. H.
Wong, P. T. P. **A behavior field approach to instrumental learning in the rat: II. Training parameters and a stage model of extinction** .. 82
Woodruff, G., & Starr, M. D. **Autoshaping of initial feeding and drinking reactions in newly hatched chicks** 265
Zoladek, L., & Roberts, W. A. **The sensory basis of spatial memory in the rat** 77

ACKNOWLEDGMENTS

The *Journal* would like to express its sincere thanks to the many individuals who have given freely of their time and counsel. Their efforts are an essential ingredient in making the *Journal* a quality publication. The asterisk following an individual's name indicates that more than one paper was reviewed for the *Journal*.
